Directory Service

Directory service is an integral part of our every-day life. There is nothing in any community that offers the vast amount of free public service, such as a directory gives and is giving every day in the year.

It is a great service to print everybody's name — your business or occupation, your home and business address — free, without any trouble or expense to you at all.

It is a great public service to furnish this information to a community. In addition to this the directory is a great exposition of the people and their institutions. It contains everything of importance in the community. Every question they may ask is promptly and correctly answered by this ready reference publication, and all this information is constantly available to the public.

This is a service of inestimable value. The directory is a booster — a great economizer of time and effort — a public benefactor and historian.

You can find all the people all the time in your local directory.

MELROSE PUBLIC LIBRARY
MELROSE, MASS.

Directory Service

Directory service is an integral part of our every-day life. There is nothing in any community that offers the vast amount of free public service, such as a directory gives and is giving every day in the year.

It is a great service to print everybody's name — your business or occupation, your home and business address — free, without any trouble or expense to you at all.

It is a great public service to furnish this information to a community. In addition to this the directory is a great exposition of the people and their institutions. It contains everything of importance in the community. Every question they may ask is promptly and correctly answered by this ready reference publication, and all this information is constantly available to the public.

This is a service of inestimable value. The directory is a booster — a great economizer of time and effort — a public benefactor and historian.

You can find all the people all the time in your local directory.

"SEE SERVIS FOR SERVICE"

One Hundred Years of Service

Naturally we are proud of this enviable record—proud and appreciative of the faith shown in our concern—faith that has helped us carry on in the face of business adversity. . . .

Starting into the second century we shall continue to carry on the ideas that have brought us not only success but the confidence of our satisfied patrons.

Located in our new Malden business home we are now able to better serve you. If you have not tried our service a phone call will bring a courteous driver with complete information.

Our dry cleaning service gives you competent workmanship, beautifully refinished garments, moderate prices and prompt call for and delivery . . . A most modern laundry is now in operation at our new plant. If you have not taken advantage of this service why not give us a trial order?
